## In connection with Try outdoor

Saturday the 7th June between 11.00-16.00

We invite you to a cozy atmosphere on our lovely terrace, where we serve a variety of delicious dishes. We grill outside, and you have the opportunity to taste our homemade sausages, grilled burgers and hotdogs. For those with a sweet tooth, we offer our delicious, homemade ice cream. We also offer various snacks and a bar ad libitum (wine & beer) for 2 hours.

Various local raw material producers occupy Strandhotel Klitrosen with their delicious products!

The list of participants will be updated continuously on our website.

Strandhotel Klitrosen will be at the market with our homemade products. Among other things: cold smoked salmon, cold smoked bacon, homemade cold cuts, homemade jams, and various schnapps

The entire program for Try outdoor can be found at [visitnordvestkysten.dk](http://visitnordvestkysten.dk)

We are looking forward seeing you!
